From the time we are little girls we are conditioned to desire our happily ever after. Sometimes we try to force this process by conceiving children. When things don't end the way we intended sometimes we are left with feelings of bitterness toward our child's father. Bitterness and the subsequent behavior can damage relationships, especially with our children. This book will help you recognize your worth outside of a failed relationship. Baby mama drama dates as far back as Abram, Sarai and Hagar.
